**North Chattahoochee Policy for  
No Show and Rescheduled Appointments**

We do our very best to see patients on time and the same day if needed. For this reason, it is very important for our patients to respect our office by giving at least a 24-hour notice if they are unable to keep their appointment. This keeps our office running smoothly and able to see our sick patients without waiting. No show appointments are disrespectful to our practice and our other patients that need to schedule an appointment.

Breaking an appointment hinders our ability to care for you as well as others, because we lose a time slot that could have been used to help another patient. Our employees also waste valuable time getting ready for your visit.

**Patients that no show or cancel a physical at the last minute will be charged a no show fee of \$75.00.**

Barring any unusual circumstances, patients that chronically no show or do not cancel ahead of time, may be dismissed from the practice. We very much want to continue serving you, so we urge you to make every effort to keep appointments or giving us at least a 24 hour notice if you are unable to come for your scheduled visit.

**Thank you!**
